

## The Overture

### April-May 2010

Believe it or not, we are into the last 4 weeks of choir. That means that this is the last choir newsletter you will have to read until Fall. Even better than that, though, is the news that our children's choir newsletters, dates, and other important info will now be offered online!! Yes, Mrs. Leek is now officially joining the technological world of CUMC. I will still offer some hard copies of each newsletter for those of you (like me), who prefer a real piece of paper to take with you. To view the newsletter online, go to our church website, [www.waterfordcumc.org](http://www.waterfordcumc.org), and click on "children's choir newsletter."

There are some opportunities coming soon for parent volunteers in choir. As you may know, Miss Kathy always has an activity and snack for our singers during first service on Sundays when we sing. I am asking for two parents to help with this on May 16<sup>th</sup> when we sing. Usually Kathy sets up a movie and I just need a parent to sit with them so they are not

unsupervised. I also need one parent to provide a snack such as goldfish crackers or some other simple, healthy snack to munch on during the movie. This is only a need during first service, since children go to the ROCK for second service. Watch for a sign-up sheet before May 16<sup>th</sup>; thanks for helping!!

Now- the other dates you need to know to finish up our year.

**April 29- Instrument Day.** Bring your musical instrument to choir to share with us!

**May 13<sup>th</sup>- End of the Year Party.** We will have a Beach Party, celebrate our summer birthdays, and give out choir awards. Parents, watch for a sign-up for snacks for this event, too.

**May 16<sup>th</sup>- Sing in church, both services.** Be here, ready to sing at 8:30.

Choir is always lots of fun this time of year. See you on Thursdays!

**Jill Leek**
